Headshots & Business Portraits

Rates for In-Studio Portrait Sessions

Executive Sessions - \$299

The quality of your business portrait determines how the world sees you. Make a lasting impression with an image that conveys the friendliness, warmth, and professional trust you bring to your work.

This package includes a one hour portrait session in my home studio (or a nearby outdoor location), up to 3 outfits, and delivery of **three High Res digital images**.

These sessions can also be done on-location at your offices or another location of your choice for only \$399.

Additional images may be added starting at \$99 each.

Social Media Headshots - \$149

Beautiful portraits do not have to be expensive! If you only need one headshot for your LinkedIn Profile, Facebook Page, or your Company Website, and you're available to meet me at or near my studio, this package is for you.

Social Media Packages include a 15-20 minute portrait session in my home studio (or nearby outdoor location) and delivery of **one High Res digital image**.

Additional images may be added for \$99 each.

EXTRAS

Images delivered on DVD	–	\$25 per disc
Major user requested retouching	–	\$125 per hour

High Resolution digital images are suitable for publication, prints and enlargements, or they may be used electronically as your profile image on your company website or your Social Media services such as LinkedIn, Facebook, or Twitter. A signed Business Release Form for your High Res images is included to ensure that you may use the digital files as required.

Rates for On-Location Portrait Sessions

On-Location Photography for Busy Executives or Groups

Do you need portraits for your entire executive team or business workgroup? Is life too busy for you to make it into my studio? Or maybe there are simply too many of you to coordinate a trip to an outside location.

For those times when you need me to come to you I have a complete portable studio that I can setup on-site in a board room, warehouse, executive office, or foyer at your preferred location.

Minimum Charge for On-Location Sessions - \$399

(includes 3 High Res Digital Image files)*
